**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please do not dismantle key components of the 1996 Telecommunications Act.

My excellent carrier Sonic.net in Santa Rosa, CA relies on UNEs to be able to add customers as they build their fiber network. They also rely on unbundled copper and inter-city fiber for their residential customers. Once fiber networks are built, Sonic still uses UNEs they connect from city to city and are the key backhaul for all of their fiber networks
